Old Business

Norm Sanders got a hold of Beemer about the sand for the beach. He was supposed to meet them at the clubhouse, he waited 2 hours and they didn't show up. He called them back and they wanted to come back but Norm couldn't so he will reschedule the delivery for after the holiday weekend.

New Business

A member brought up blight in the neighborhood and how docks are falling into the water on the canal. He wanted to know if someone could get ticketed for blight for the docks. Unfortunately, because its public access and owned by the association, we don't have the means to police that.

Bears have been sighted around the lake, at Ball and Cranberry, and in the woods on the one side of Eberhardt.

John Gabor mentioned people helping to clean up the park and encourages it. Thank you to everyone for pitching in and keeping our area beautiful. He also said there are many people on 4 wheelers not wearing helmets and riding up and down the hills down by the canal. He asked if he could put up poles to stop them and we agreed he could.

Marlene Freeman said some of the picnic tables that used to be down at the beach were used as firewood or pulled into the water and used as diving platforms. That's why there aren't as many.

Motion was made to adjourn the meeting at 10:47am by Kristin Pavliscak, seconded, all approved.
